

Woodlynne School District

PreK-8th Grade **Student of the Month Program**

The Woodlynne Student of the Month Program in the Woodlynne Elementary School is based on qualities such as good character, leadership, and citizenship, not solely on academics. The student of the month must be a diligent student, complete his/her assignments on time; show a strong effort to learn subjects to the best of their ability; prepare for class; and, have good classroom participation. The student of the month demonstrates excellent behavior in and out of the classroom, is well mannered, and respectful to both peers and teachers. The student of the month displays excellent citizenship by working together with classmates in a cooperative attitude, and exhibiting good behavior. Many such students display leadership qualities and serve as role models for their peers. Lastly, the student of the month demonstrates exemplar character through his/her compassion, honesty, and respect by helping to create positive school environment.

Each month the Classroom teachers, Special area teachers, and Administrators can nominate students for that month. There is no limit to how many students may be nominated from each grade level as long as they have met the criteria. Our goal is to have 100% student participation by June in each grade. The students will have demonstrated the “Big Three”:

- Make the right choices
- Treat people the way you want to be treated
- Always try to do your best

Each month the students selected who receives this honor will be rewarded with some special privileges: for example a breakfast or luncheon with the Principal and Superintendent.
